Reference: June 1999 monthly report

Dear Mr. Francis:

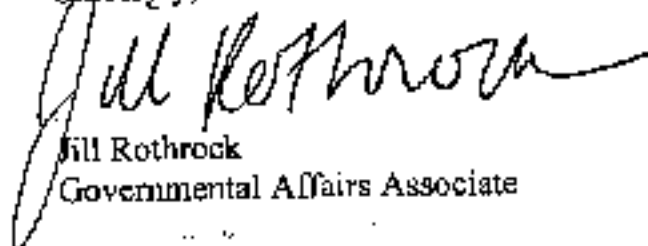

While using the query system available through the FEC website to view the candidates that USXPAC has contributed, I came across an error in one of my previous monthly reports.

It appears that in my June 1999 monthly report, a contribution to the Independent Oil & Gas Association of Pennsylvania Political Action Committee in the amount of \$500 was incorrectly listed under line 23 rather than line 29.

As per a previous conversation with you on December 1st regarding a similar error, this letter should be sufficient in order to correct this mistake. If you should need any further information, please call me at (202) 783-6833.

Thank you for your help in this matter.

Sincerely,
